**Report on Session on Sahi Se Business: An Introductory Session on Business Ethics**

The B.Com Department of Sree Narayana Guru College of Commerce, in association with the Internal Quality Assurance Cell (IQAC), organized an insightful session on business ethics titled "Sahi Se Business: An Introductory Session on Business Ethics".

The session was led by Dr. Hinduja S.P., Vice Principal and IQAC Coordinator, SNGC. Dr. Hinduja brought a wealth of knowledge and practical insights into the discussion, enriching the learning experience for the students.

Dr. Hinduja started with a comprehensive introduction to business ethics, explaining its importance in the current business landscape. The session included a detailed discussion on how ethical decision-making can influence business outcomes positively. Dr. Hinduja provided numerous real-world examples and case studies to illustrate the application of business ethics in various scenarios. The session concluded with an interactive Q&A segment where students actively participated and clarified their doubts.

The session on business ethics was highly informative and well-received by the students. It provided them with a solid foundation on the significance of ethics in business and prepared them to face ethical dilemmas in their future careers.

**Date - 7<sup>th</sup> August, 2023.**

**Venue-Seminar Hall - 1st floor, new building.**

**Timings- 10:30 am to 11:30 am.**

The college's Career Counselling and Skill Development Committee, in collaboration with the Competitive Exams Committee, organized a seminar on "Career Counselling and Soft Skills - Resume Building and Mock Interview Skills." The seminar aimed to provide valuable insights and practical guidance to the participants on shaping their career paths effectively. The esteemed resource person for the event was Ms. Shyama Iyer, an accomplished professional associated with IIT Mumbai, known for her expertise in career counselling and soft skill development.

The seminar commenced with a warm welcome by Dr. Rashmi, Incharge of Career Counselling & Skill Development Committee, introducing the objectives and significance of the event. Dr. Hinduja, Vice Principal- academic felicitated Madam Iyer with a bouquet. The esteemed resource person, Ms. Shyama Iyer delivered an engaging session on the importance of career counselling in today's competitive world. She discussed the relevance of aligning one's interests, strengths, and aspirations with the right career choices.

Ms. Iyer emphasized the significance of soft skills in professional success. She elaborated on essential soft skills, such as communication, teamwork, adaptability, and problem-solving, and how they contribute to personal and career growth. Ms. Shyama Iyer provided valuable tips on structuring resumes, highlighting key achievements, and tailoring them to specific job roles. Feedback and constructive suggestions were provided by Ms. Iyer to help participants improve their interview skills. The seminar encouraged an interactive environment, allowing participants to ask questions and seek clarifications on various career-related topics and soft skill development. Participants gained a better understanding of the importance of career counselling in making informed career decisions. They learned valuable insights into various soft skills essential for personal and professional growth.

Overall, the "Career Counselling and Soft Skills - Resume Building and Mock Interview Skills" seminar conducted by the Career Counselling and Skill Development Committee and the Competitive Exams Committee was a resounding success. Ms. Shyama Iyer's expertise and engaging approach made the event informative and inspiring. The participants left with a renewed sense of purpose and determination to excel in their career journeys by focusing on both technical skills and essential soft skills.

CONSTITUTION DAY CELEBRATION**

**Date:** 26-11-2023

**Introduction:**

The Constitution Day Celebration organized by the National Service Scheme (NSS) on 26-11-2023 aimed to commemorate the adoption of the Indian Constitution and uphold the principles of democracy, justice, and equality enshrined therein.

**Activities:**

The event featured various activities, including discussions, debates, and educational sessions focused on the significance of the Indian Constitution in shaping the country's democratic framework. Participants also engaged in oath-taking ceremonies, reaffirming their commitment to upholding the values and ideals of the Constitution.

**Impact:**

With 5 participants actively participating in the Constitution Day Celebration, the event served as a platform for promoting civic awareness and fostering a deeper understanding of constitutional principles among youth. Participants gained insights into the rights and responsibilities enshrined in the Constitution, empowering them to become active and informed citizens.

**Conclusion:**

The Constitution Day Celebration underscored the importance of upholding democratic values and constitutional principles in building a just and inclusive society. As the seed balls prepared during the event take root and flourish, they will serve as living reminders of the impact that individuals can make when they come together for a common cause. The success of this event underscores the importance of community engagement and grassroots initiatives in addressing pressing environmental challenges and building a more resilient and sustainable future for generations to come.

## Report on the Essay Writing competition conducted by the Women Development Cell along with IQAC

**Date – 26th August, 2023.**

**Venue- Seminar hall – 1<sup>st</sup> floor.**

**Timings- 11:00 am to 12:00 pm**

The Women Development Cell of Our College has organized an essay writing competition centered around the theme of "Transgender Equality, Women in Politics, Women Entrepreneurs, Women as Homemaker, Women's contribution in Science & Technology". This event aimed to encourage students to express their thoughts on pressing societal issues related to gender equality and women's roles in various fields. The essay writing competition was a resounding success, fostering awareness and dialogue on crucial gender-related topics. It provided a platform for students to express their perspectives on these issues, contributing to a more informed and empowered community.

The essays were evaluated by a distinguished panel of judges, including Vandana madam, Naveena madam, Priyadarshan Sir. Their expertise and experience ensured a fair assessment of the participants' essays. A total of 131 participants registered for the event.

## Report on the Debate competition conducted by the Women Development Cell along with IQAC

Date – 21st January, 2024.

Venue- Seminar hall – 1<sup>st</sup> floor.

Timings- 11:00 am to 12:00 pm

In the complex discussion of whether females or boys are more subject to peer pressure, supporters of affirmative action emphasized the pressure placed on girls by society, while opposed focused on pressure placed on boys for qualities like aggression. The capacity of each side to present solid proof about the nature and consequences of peer pressure on people of both genders determined the outcome. In the debate between success and happiness, proponents of happiness emphasized living a fulfilled life, while supporters of success maintained that achieving financial security and personal growth leads to satisfaction. The outcome of the debate probably depended on how well each side could present a convincing argument for how success and happiness interact dynamically. The conflict between professionalism and individual freedom was apparent when it came to college dress standards, and the results represented views on how to strike a balance between institutional control and student freedom of speech.

There were four teams with a total of nineteen participants.

## Report on the poster making competition conducted by the Women Development Cell

Date - 25th July 2023.

Venue- Seminar hall - 1<sup>st</sup> floor.

Timings- 11:00 am to 1:00 pm

The Women Development Cell of Our College has organized a poster making competition centered around the theme of "Women in Corporate, Sexual Harassment, Dowry, Domestic Violence, Women and Mental Health." The event aimed to raise awareness about these pressing issues and provide a platform for students to creatively express their views and opinions through art. The topics were chosen to shed light on the challenges faced by women in various spheres of life. A total of 88 participants registered for the event, showcasing a diverse range of perspectives and artistic abilities. Students from various departments enthusiastically participated, highlighting the importance and urgency of the topics discussed.

The event proved to be successful in raising awareness about critical issues faced by women. Through the expressive medium of art, the participants effectively conveyed their thoughts and concerns while generating meaningful discussions. The event undoubtedly played a crucial role in empowering students, prompting dialogue, and initiating positive change in society.

## Disclaimer

The Audit Team has prepared this report for the **Sree Narayana Guru College of Commerce** located at P. L. Lokhande Marg, Chembur (West), Mumbai - 400089, Maharashtra, India based on input data submitted by the Institute analysed by the team to the best of their abilities.

The details have been consolidated and thoroughly studied as per the various guidelines for Green Buildings available in National and International Standards; the report has been generated based on comparative analysis of the existing facilities and the prerequisites formulated by various standards. The inputs derived are a result of the inspection and research. These will further enhance and develop a Healthy and Sustainable Institution.

These can be implemented phase wise or as a whole depending on the decision taken by the internal team. The warranty or undertaking, expressed or implied is made and no responsibility is accepted by Audit Team in this report or for any direct or consequential loss arising from any use of the information, statements or forecasts in the report.

The audit is a thorough study based on the inspection and investigation of data collected over a period of time and should not be used for any legal action. This is the property of Greenvio Solutions and should not be copied or regenerated in any form.

The Report is prepared by the Team of Greenvio Solutions under their brand and department – Sustainable Academe as Consultancy firm with the Project Head - Ar. Nahida Shaikh who is as an Accredited and Certified Green Building Professional-Architect. Green Building consultancy is her forte and she is one of the most sought after names when it comes to providing excellent quality services within the stipulated time frame.

The Study is conducted in capacity of Accredited & Certified Green Building Professional with extensive experience.

### 3. Investigation

The following points were observed during the investigation.

- **Lights** - All lights are in working conditions. There was **no fuse defect observed**.
- **Fans** - All fans are in working conditions. Windows **do not** have cracks and are caulked appropriately.
- **Air conditioners** - The Outdoor units were cleaned maintained and had **no dust collection problems**.
- **Equipment** - All equipments are in working conditions and **daily monitoring is done by the maintenance staff** and admin staff in an excellent manner.
- **General** - **No defect** was found in any appliance of electrical consumption.

### 4. Observations

#### 4.2 Energy efficiency analysis

##### 4.2.1 Energy efficient practices for alternative sources

Additional provisions that can be introduced in the near future are noted below:

- Solar tree
- Solar parking

##### 4.2.2 Energy efficient equipment

- The premise has LED Lights in multiple spaces.
- The air conditioners are BEE star labelled appliances, the old ones are supposed to be replaced soon.
- There are no energy efficient fans in the premises.

## 5. Documentation

### 5.1 Primary sources of energy consumption

- ➔ **Electrical (Metered)** – Light, Fans, Equipments, Pumps comprise these sources.
- ➔ **Renewable energy** – There are '**NO**' systems available in the premises.

### 5.2 Secondary sources of energy consumption

The premise uses batteries, UPS as backup for administrative purposes. The details of the existing sources are documented below:

S. No.	Name	Purpose.
1	UPS	Admin
2	Gas cylinders	Canteen

*Table 4: Details of secondary sources of energy consumption*

### 5.3 Actual electrical consumption as per bills

The Institute 'DOES NOT' have any sources of renewable energy and thus spends a huge amount of expense every month as documented below:

Sr. No.	Month	Year	Units	Amount (Rs.)
1	June	2021	4,312	39,860
2	July	2021	4,354	40,290
3	August	2021	4,402	40,850
4	September	2021	5,140	47,140
5	October	2021	6,504	59,600
6	November	2021	6,718	61,530
7	December	2021	6,836	62,920
8	January	2022	4,259	39,820

<b>9</b>	February	2022	6,916	64,470
<b>10</b>	March	2022	12,902	1,19,200
<b>11</b>	April	2022	11,873	1,09,760
<b>12</b>	May	2022	8,316	77,340
<b>13</b>	June	2022	10,698	99,620
<b>14</b>	July	2022	12,938	1,33,670
<b>15</b>	August	2022	12,908	1,33,300
<b>16</b>	September	2022	12,529	1,29,490
<b>17</b>	October	2022	10,969	1,13,360

<b>Total</b>			<b>1,90,826</b>	<b>18,82,170</b>

*Table 5: Details of the electrical consumption*

## 5.4 Calculated Electrical Consumption as per inventory

The electricity bills provide actual consumption data. The following is the calculated consumption. It is done to understand the percentage of energy usage in the premises by various applications. It is based on the inventory collected and interviews with the staff.

The additional data such as wattage is taken from market research. In terms of electrical consumption, the main sources are lights, fans, air conditioner, and equipment. The inventory and data collection for sources of energy consumed in the premise is summarised in the following sections.

The following documentation is based on the consumption practice of the premises on a regular working day.

*Figure 1: Summary of the calculated electrical consumption as per inventory*

The above graph shows that equipment consume 61% whereas the lights consume 14% while air conditioners fans consume 13% and the fans consume 12% of the total calculated electrical energy.

## 5.5 Fans

### 5.5.1 Types of fans based on the numbers

There are a total of **313 fans** on the premises as follows:

S. No.	Type	Nos.
1	Exhaust fans	12
2	Wall mounted fans	18
3	Ceiling fans	283

*Table 6: Summary of the types of fans in the premises*

### 5.5.2 Types of fans based on the power consumption

The energy consumption of fans is **15,571 kWh** of the energy.

*Figure 2: Types of fans based on power consumption*

The above analysis shows the **Ceiling fans consume 93%** whereas the **wall mounted fans consume 4%** while **exhaust fans consume 3%** of total power consumed by fans.

## 5.6 Lights

### 5.6.1 Types of lights based on the numbers

There are **630 nos. of LED lights** on the premises.

### 5.6.2 Types of lights based on the power consumption

The energy consumption of lights is **18,796 kWh** of energy with the LED lights consuming 100% of the total power consumed by lights.

## 5.7 Air conditioners

### 5.7.1 Types of air conditioners based on the numbers

There are **23 air conditioners** on the entire premises.

### 5.7.2 Building-wise consumption analysis

The energy consumption of air conditioners is **16,935 kWh** of energy.

### 5.7.3 About the replacement of current air conditioners

- The current air conditioners are well maintained.
- Though there is not an immediate requirement for replacement.
- Whenever the Institute undergoes redevelopment there can be provisions for replacement with energy-efficient appliances or new air conditioners that require less power consumption.

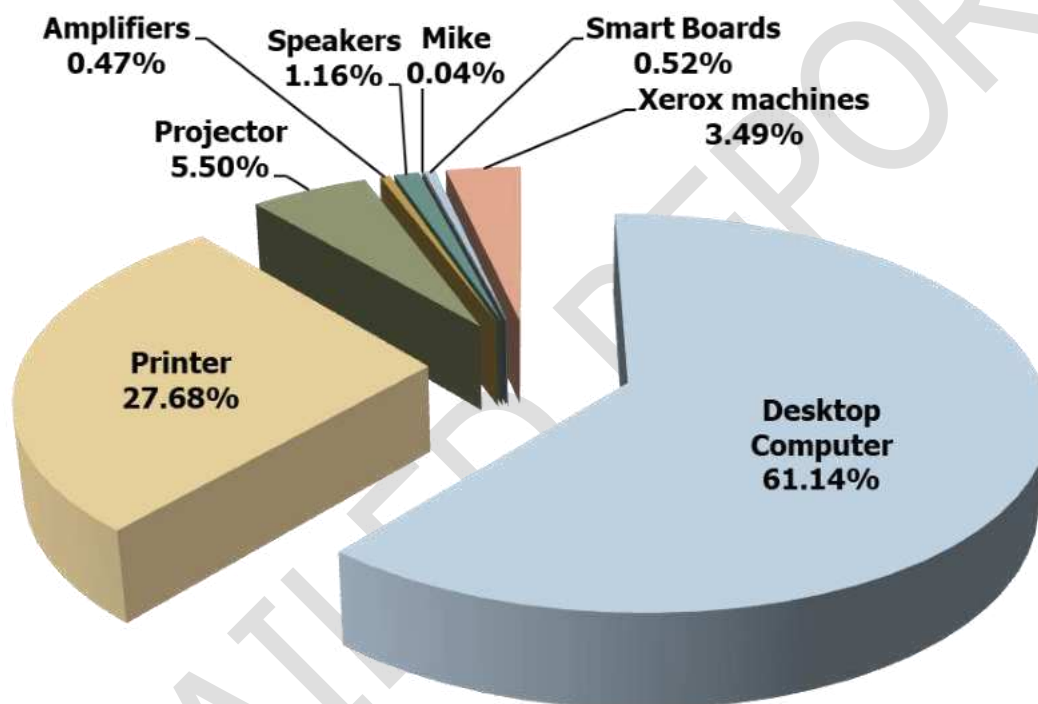

## 5.8 Equipment

### 5.8.1 Types of Equipment

There are **302 nos. of equipment** in the Educational sector.

### 5.8.2 Types of equipment as per their energy contribution

The energy consumption of equipment is **81,721 kWh** of energy.

*Figure 3: Energy consumed by types of equipment in the educational sector based on the usage study*

The above summary shows that the **desktop computer consumes more energy at 61.14%** while the **printer consumes 27.68%** whereas the **projector consumes 5.50%** and the **Xerox machine consumes 3.49%** these are the maximum consumers as compared to other equipment.

## 6. Suggestion

### 6.1 Section-wise suggestions

The following suggestions are to be considered as a **first priority** for implementation. These **should be executed within the next 2.5 years from the date of the Report submission**. The Institute can execute a plan after discussion with Project Head.

#### 6.1.1 Electromechanical systems - Electrical and Lighting

##### Section 1 - Non-LED lights

The current light analysis shows that Non-LED lights consume anywhere between 50W to 54W and even more when in use; these should be replaced with LED lights which consume on an average 12-16W when in use.

Our technical research shows that there would be a reduction of an average of **67% reduction** in energy consumption if replaced with energy efficient appliance.

It will be suggested to either replace these now if the Institute can have certain plans else the replacement can be done when fans get damaged or are not in working condition.

##### Section 2 - Ceiling fans

The current Fans are in proper working conditions and maintained well. The ceiling fans are in more quantity and consume at least 45W when in use. These should be replaced with energy efficient fans consuming 14W when in use.

Our technical research shows that there would be a reduction of an average of **69% reduction** in energy consumption if replaced with energy efficient appliance.

It will be suggested to either replace these now if the Institute can have certain plans else the replacement can be done when fans get damaged or are not in working condition.

## 6.2 General suggestions

The following are consolidated study related to 'entire Institute' should be considered as **second priority** once section wise recommendations are implemented.

### 6.2.1 Alternatives to increase renewable energy

#### 6.2.1.2 Solar parking

The University can turn its existing parking areas into solar panel powered parking areas. This will provide shade and renewable energy benefit to the University.

**Plate 1: Solar parking concept for the Institute (For reference purpose only)**

Source: Image by <https://solarpowerproject.in/solar-panels-for-parking-lots.php>

#### 6.2.2.2 Smart gardening

The Institute can undertake a Smart Gardening system using IoT Technology. This will result in saving time by scheduling time for watering; saving money through automated water schedules tracking dampness of soil to know when, how much water garden needs.

**Plate 2: Solar farm concept for the Institute (For reference purpose only)**

Data source: <https://www.happysprout.com/inspiration/what-is-smart-gardening/>

**On-site investigation and physical verification**  
**Audit Team during the visit and other photos collected during data documentation**

**Evidence of the visit** - Investigation of the compost and waste management areas

**Evidence of the visit** – Water sampling testing and outdoor study

**Investigative parameters – Site Aspects** – Campus extent and facilities available in the premises

**Investigative parameters – Site Aspects** – Terrace study to understand waterproofing and cooling study

## 7. Compilation

The study is based on the data collected, analyzed, rechecked, and confirmed through multiple modes. For the quality study, some standards/ notes have been referred to. These are listed and noted below. However, no direct references have been used anywhere. These are used as a base to analyze and study the data collected.

## REPORT ON THE CERTIFICATE COURSE ON MORAL VALUES-IDEOLOGIES OF SREE NARAYANA GURU 2023-24.

The Certificate Course on Moral Values-Ideologies of Sree Narayana Guru for the academic year 2023-24 was conducted with the aim of imparting knowledge about the moral values and ideologies propagated by Sree Narayana Guru, a revered social reformer and philosopher from Kerala, India. The course focused on understanding his teachings and their relevance in contemporary society. The course served the following objectives like familiarizing the participants with the life and works of Guru, to impart knowledge to the students in applying Sree Narayana Guru's teachings in addressing contemporary social issues etc.

This course is conducted by IQAC of the college demonstrating the distinctiveness of the college and upholding its moral responsibility to the students. The course was started on 31/08/23. The course spanned for 30 hours which included concepts like introduction to the life and education of Sree Narayana Guru, the condition of the society at Kerala during his period, his social reform movements, emphasizing his moral values like compassion, tolerance, patience etc.

The course was conducted in a hybrid mode wherein recorded lectures were shared to the students in Google classroom as well as in the WhatsApp group created online. Offline lecture was conducted to give a general understanding of the course and to give the brief introduction to the same.

~~50~~<sup>49</sup> students had registered for the course. 49 students Power point presentation and recorded lectures along with assignments were used to impart the course. Sessions were handled by Ms. Naveena Suresh, Assistant professor. The course was successfully completed by Online assessment students and by providing them E-certificate of participation in the course. The cooperation extended by IQAC Coordinator Dr.S.P.Hinduja is worth mentioning. The Certificate Course on Moral Values-Ideologies of Sree Narayana Guru served as a platform for exploring and disseminating the moral values and ideologies propagated by the revered social reformer.
